Today is the

beginning of the rest of their lives . . .

We've only begun

to learn the meaning of involvement

We've only begun

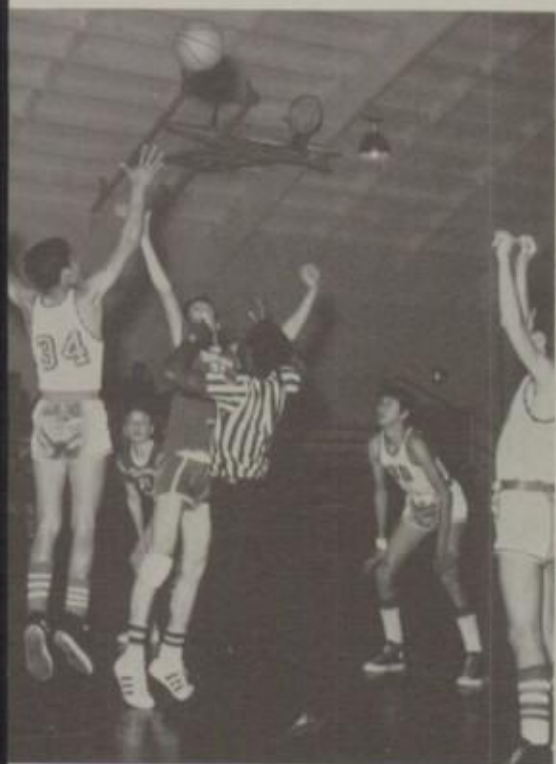

to learn the meaning of "Outstanding"

We've only just begun

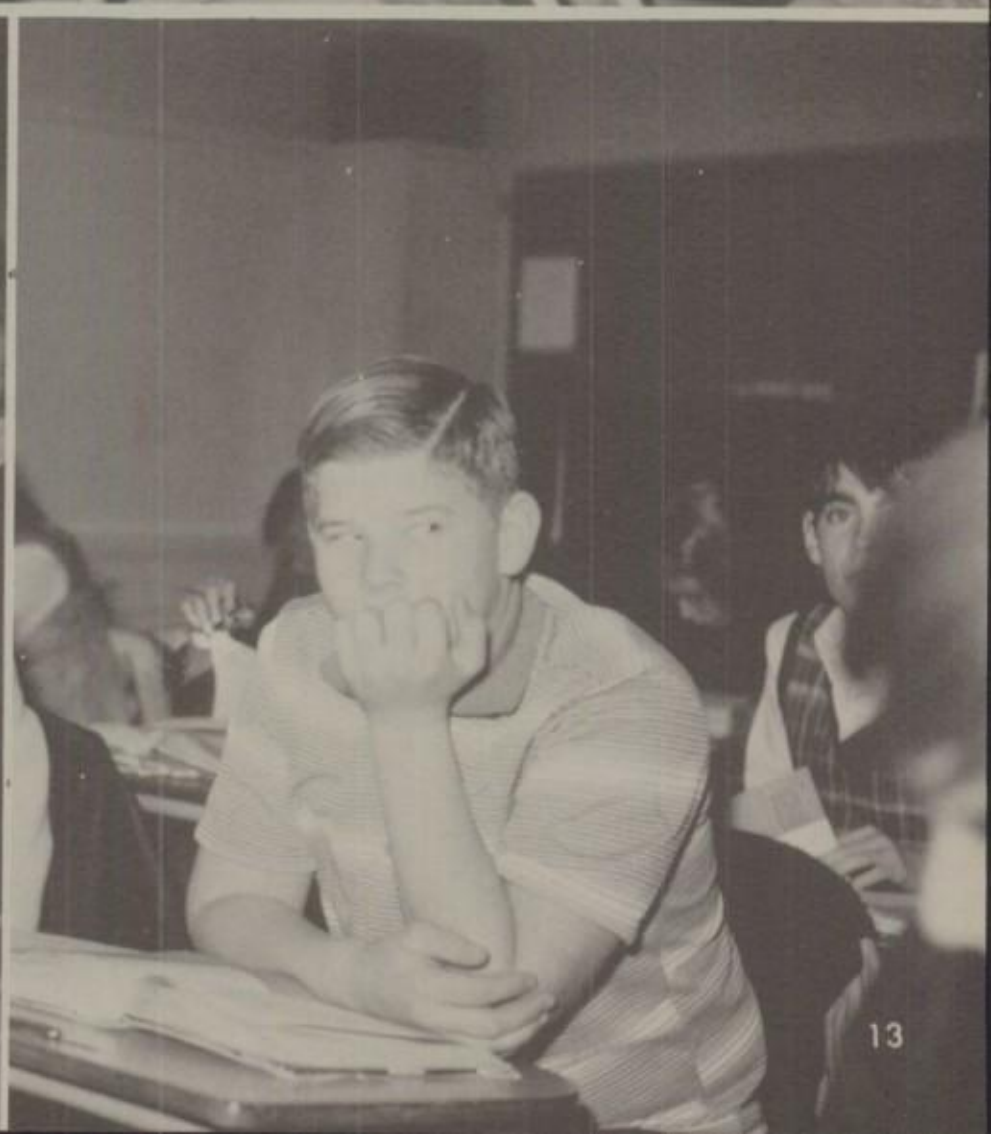

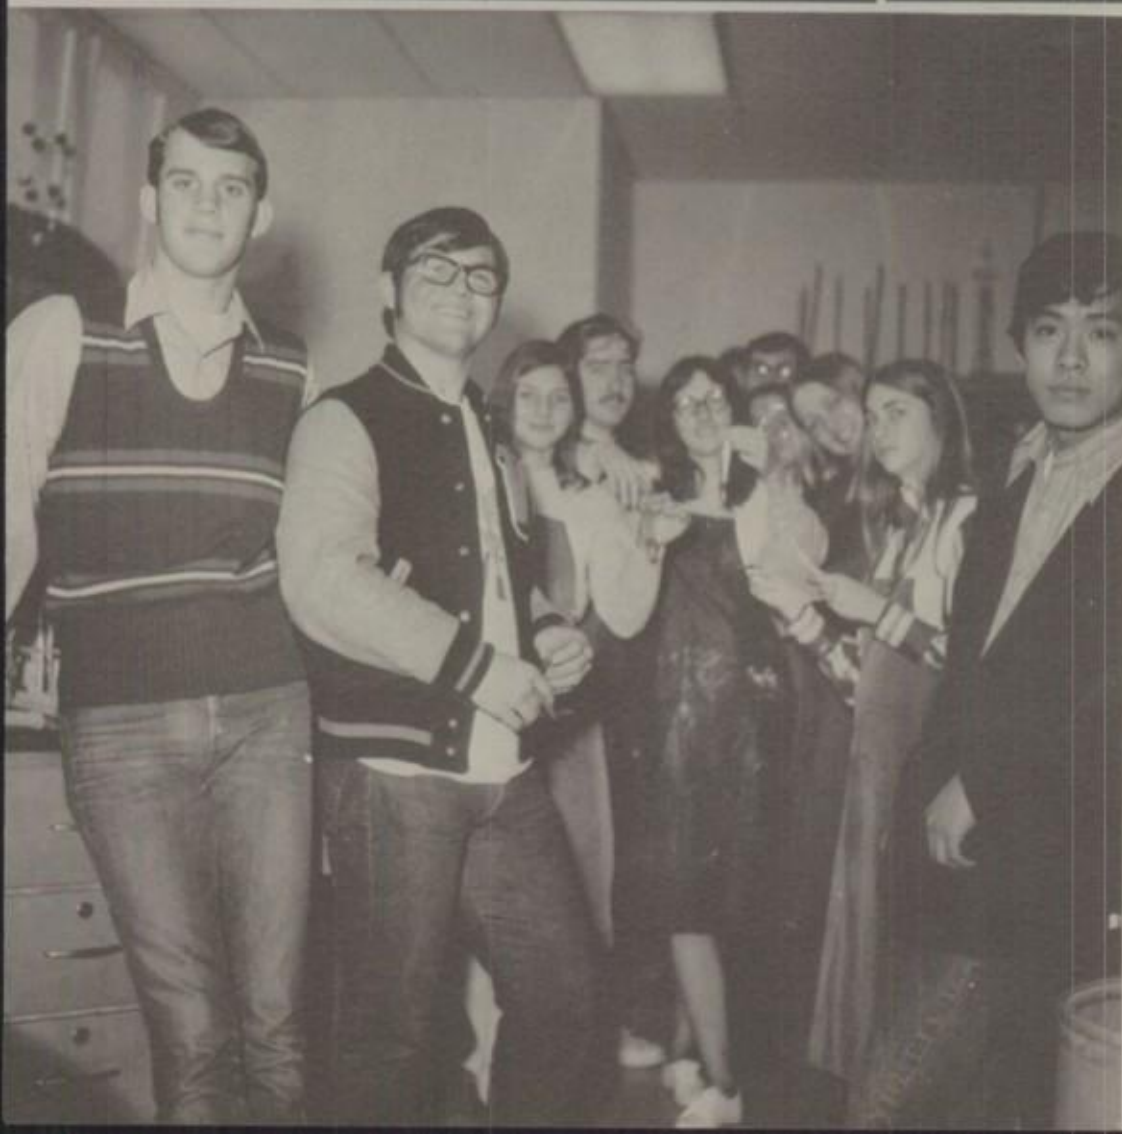

to learn the meaning of "Tiger Pride"

We've only

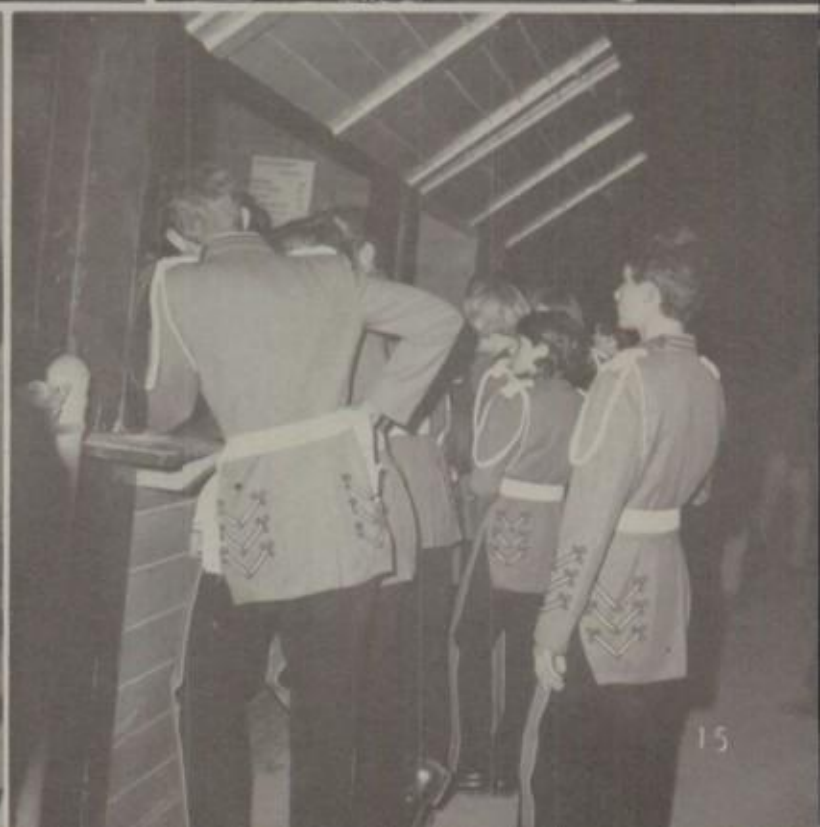

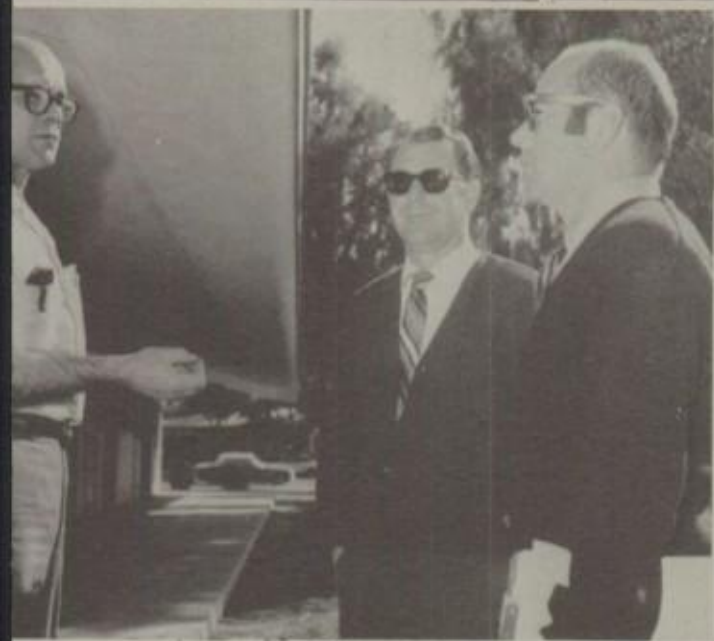

begun to gain some of our knowledge

We've only

begun to live . . .

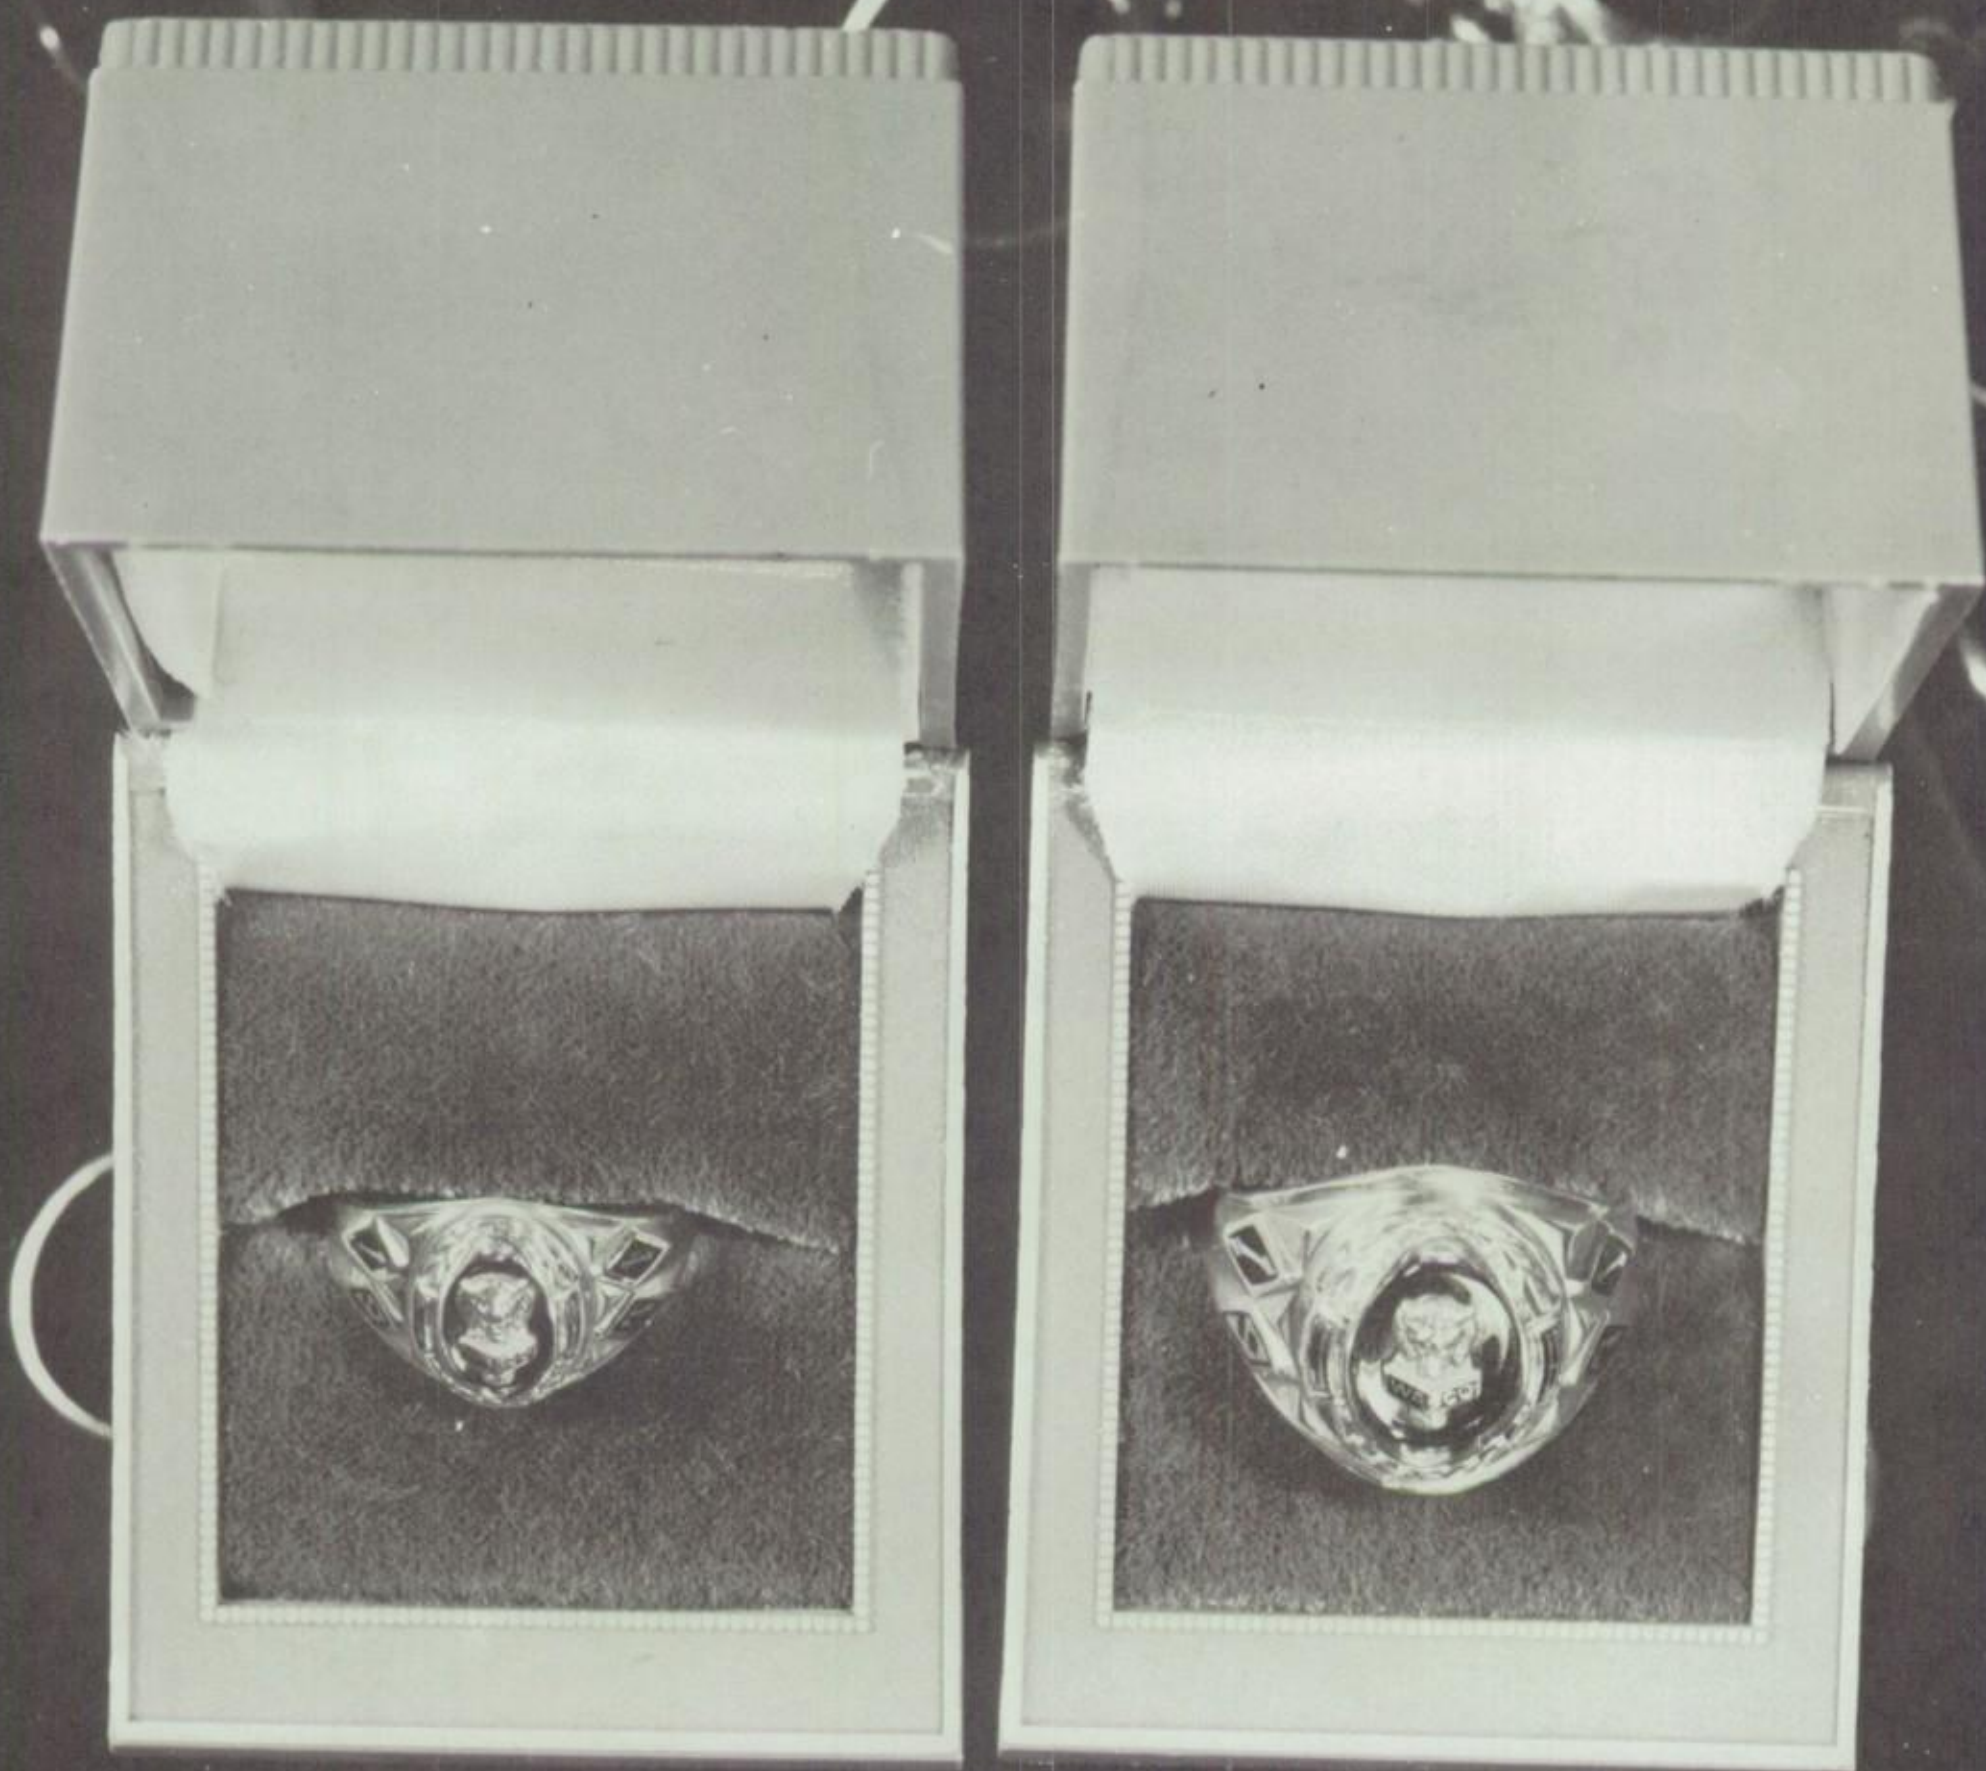

Dedication

Because. . .

- . . . of his ability to relate to students
- . . . of his ability to motivate students
- . . . of his dedication to this school
- . . . of his belief in student independence
- . . . of his concern for students' problems
- . . . he is a friend,

This 1971 Wasconian is dedicated to Mr. Kenneth L. Proctor.

"One generation passeth away, and another generation cometh."
-Eccl.

A year. . . with its various events and memories. How does a small group of individuals proceed to record these memories?

The production of a yearbook is a difficult assignment, to say the least. It involves working together and learning the art of compromising to record the events and memories of a school year. Sometimes it is difficult for a staff to remember its objective because of the many unique personalities involved. It is a time of growing and maturing.

Certainly there are many memories the staff will remember— some pleasant, some unpleasant. But they are times that we will be able to look back at and cherish. One fact is indisputable: this yearbook would not have been what it is if it were not for the concerned staff.

Perhaps this yearbook will appeal to some of you; perhaps it will not. We as a small group of individuals have only just begun to record a small portion of the life at Wasco High. It is a life that you have made possible through your involvement and cooperation.

For many this year will be a beginning to a new and different life. That life will be filled with trials and heartbreak. But it will also be filled with happiness and good times. It will be a life that will be as beautiful and happy as each individual makes it.

Our sincere thanks to:

The Wasconian Staff and all of their work to make this book a reality.

To Mr. Robert Martin for his ever-present patience as our advisor.

To Mr. Ray Rexius for his helpfulness and advice in photography.

To Mr. Ben VanZante, Taylor representative, for his help in the production of this book.

To the administration for its "cooperation and concern" in producing this annual.

And to Mr. Proctor for just being there.

F.F.A. Builds for the Future

The Wasco FFA activities for the past year have been on the local, state, and national level. Some noteworthy activities during the year were the trip to Disneyland for the children of the North Kern Orthopedic School and having Bura Karnjnasirm, a visitor from Thailand, visit the Ag. Department for two weeks.

John Martin was awarded the gold key of State Farmer at the FFA state convention, and delegates to the state convention were Dellis Bone and Rueben Perez. Danny Martin had the champion Corriedale lamb at the 1970 Cow Palace, and Chris Crawford won a merit award steer at the 1970 Cow Palace. During the summer the officers attended a planning meeting at Huntington Lake. Later in the summer the Chapter participated in the Cal Expo State Fair in Sacramento.

The 1970-71 school year got underway with Dellis Bone as chapter president. The Chapter had an outstanding exhibit at the Kern County Fair winning the sweepstakes in ag. mechanics, exhibiting a third place in the garden scene and a fourth place in the feature booth. Chris Crawford won the Angus Auxiliary trophy for the angus exhibit. Danny Martin had the champion registered Hampshire lamb. Anita House exhibited the champion FFA registered ewe. Don Parks won the novice sheep showmanship and Larry Denney also exhibited the champion Chester White boar. The Chapter also won the second place trophy for chapter group of lambs and chapter group of hogs.

In October 1970, Dellis Bone and Larry Denney attended the 43rd National FFA Convention held in Kansas City, Missouri.

Lowell Tallon had the champion Duroc boar and gilt at the 1970 Great Western Livestock Show. The Chapter came out with the champion pen of 5 commercial steers. Chris Crawford again won the Western States Angus Auxiliary trophy. Terry Nored had the champion Hampshire boar. Rueben Perez had the champion Hampshire market hog.

The Future Farmers started off the 1971 new year with Jay Dunlap as second semester president. They staged their annual Parents and Friends banquet on March 6 with a very impressive slate of award winners. Dellis Bone received the California Bankers Certificate, the Bert Rinn award, and the Star Chapter Farmer. He also had the honor of naming his mother, Mrs. Bernard Bone, as FFA Mother of the Year. Lowell Tallon received the Most Progress award. Larry Denney received the DeKalb award. The Kern County Equipment trophy for the outstanding college student went to Fernando Goni. Benny Cathey received the star greenhand award and the Kiwanis Gilt. The Father-Son Combination trophy went to Chris Crawford and Emery Crawford. Chapter president placques were presented to Jay Dunlap and Dellis Bone. Foundation award winners were Danny Martin, livestock; Harry Williams, crops; Lowell Tallon, ag. mechanics; Chris Crawford, agri-business; Reuben Perez, horticulture; and Jeanie Parks, home improvement. The Barker Iron Works scholarship went to John Martin. Honorary members were Dr. A. W. Breakiron and Mrs. Jo Nixon. Junior Citizen was Wayne Waldrip, and Senior Citizen was Clayton Venner.

Helen Ray was crowned FFA Queen at the FFA Banquet.

Advisors for the year were Charles Craig, Gary McDowell, and George Wise.

Tiger Team in Action

The Varsity Story

The stalwart defensive team was led by two "livewire" linebackers, Terry Shell and Dale Duke. "It's what's up front that counts"; that was where Bill Miller, Geary Anderson, Richard Eskew, Dennis Heinrichs, Steve Davis, and Tony Jameson were stacking up the opponents. In the secondary, where the "interceptors" played, were Terry Farley, Fred West, Mike Hawkins, and John Hale.

The exciting and explosive offensive team had break-away tailback Herman Maston who skirted for 15 touchdowns (4 vs Shafter). Junior QB Jack Gann connected with receivers Steve Rodriguez, Neil Mahan, and John Hale for 9 TD's and set a record of 16 yards per completed pass. FB Terry Farley led the way with his devastating blocks to lead top-notch backs, Steve and Herman Maston. Opening the holes for the backs and giving the passer time to pinpoint passes were Jon Burtner, Ed Olivera, Ted Graham, Vard Terry, Lance Craig and Geary Anderson. Five players made the "South Sequoia League Team": Geary Anderson, Terry Farley (the second time), John Hale, Herman Maston, and Terry Shell. Captains were Terry Shell and Jack Gann. The Most Valuable Player award went to Herman Maston.

The Wasco Cubs had their ups and downs all season long. With only four starters back from last year, lack of experience was a key reason for a slow start. Then came time for the big test, the Shafter-Wasco showdown. As the game started, the Cubs found things a little tough. At the end of the half it was 16 to 0, Shafter, but it did not turn out that way. The Wasco Cubs came on with a total team effort stopping the Shafter bunch from any further scoring and came back with 3 scores of their own to win 18 to 16. Its almost like the Wasco Cubs turned into Tigers, but isn't that what it's all about?

A season record of one win and six losses usually does not promise good things for the future. However, our "C" football team of this year is truly an exception. They drilled hard for every game and each team we played knew they had been in a ball game after the contest. Our defense was tough except for a few mental lapses in each game. Our offense never really got off the ground but there were sparks when we looked very good.

The young men who played "C" football always made their coaches proud to coach them. The future holds only what these young men want it to hold.

Varsity Cross Country

Varsity cross country teams, Wasco and Taft, waiting for the gun.

Jim Burns, All League Selection, after a race.

On the road to winning, in cross country, you are pitted against terrain, changing surfaces, elements, and yourself. You run to win. You run to improve with each successive day. You develop within yourself confidence, courage, and self-determination. You train and run for outstanding performance. You train to be a top competitor. This year's team did just that. Composed mostly of lower classmen, with first year experience, they tried to do their very best each time out. With the many excellent young performers, we had a hard time picking positions. This fine young team had a record of four wins and one loss in league competition.

Jim Burns won the Scholastic Award as well as the Most Valuable Runner. His closest competition for the scholastic award was team captain Steve Reimer whose spirit sparked many a winning Wasco rally. Another outstanding performer was Albert Martinez, whose best time of 10:55 was second only to Jim Burns. The purpose of Cross Country is to develop your confidence, courage, and self-determination to the fullest. In so doing you will develop that unique spirit that comes in Cross Country running. You run to win.

Story From the Bench

Wasco experienced a truly remarkable basketball season. It was a season that seemed to play with our faith and emotions. It was a season which gave us proof that you should never give up as long as there is any chance for success and happiness; that where there is a will, there is a way. We can all profit from this experience.

No one will forget the 1970-71 Tiger basketball team. Very few teams could endure what they did and come back to win a championship. The pure drama and excitement generated by our Tigers is truly worth remembering.

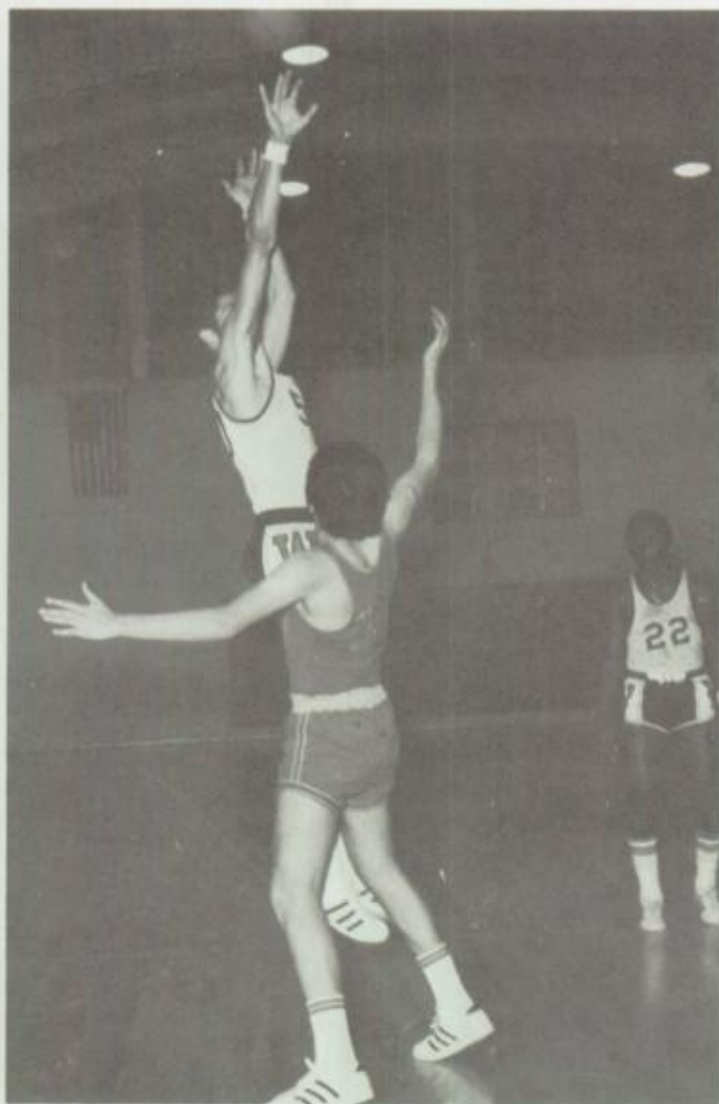

Early season success caused great expectations. Wasco won the Corcoran and Bakersfield College tournaments and became the favorites to win the S.S.L. Five unexpected and crushing defeats changed all of this, and all at once, we were just another team with a 4-5 league record.

The Tigers pulled themselves together and in a magnificent display of teamwork and unity proceeded to win the last six S.S.L. games and become champions, again. We had gone the full cycle from favorites and winners, to losers, and all the way back to a championship - a once in a lifetime experience.

Junior Varsity

The JV basketball team came on strong at the end of the season, winning four of its last five games. The season was climaxed by Joe De La Rosa's last second shot to defeat Highland and break their nine game winning streak. The Cubs' only loss in the last round of league play was to Shafter. The team finished its season with an overall 9-10 record.

Gene Oliver led the team in points scored, 202. Morris Toliver led in rebounds with 145. Vincent Nolden led in field goal percentage, 57%.

Other team members were Dan Isaac, Randy Priest, Troyce Leatherwood, Sherman Toliver, Joe De La Rosa, Tim Calhoun, Bruce Grant, Warren Bone, and Ernest Armstrong.

Grappler's Saga

An inexperienced Tiger wrestling squad took the mat for Coach Hammack this season. Due to the lack of experience the team could only muster two wins against ten defeats, however, four defeats were by one individual match loss. By the end of the season the team was much improved.

The Tigers finished fifth at the League Tournament and qualified six wrestlers for the Divisional Tournament. Leading the Tigers at the tournament and for the year were Phil Gilley third, Marcel Garvin second, Marty Clement first, Terry Clement third, Brad Lynch third, and George Jeffers first. For Jeffers it was his third straight unlimited title.

The Divisional Tournament was a little rough on the Tigers as only Jeffers was able to qualify for the Valley Tournament. The Tigers finished eighth at the Divisional as Jeffers won his second straight unlimited Divisional title.

No Tiger wrestler was able to place at the Valley this season.

J.V. Story

The 1970 Junior Varsity was short on experience though long on determination. Their record was not the best, but they tried exceedingly hard. Steady improvement throughout the year was the main distinction of the Junior Varsity Team. With the experience gained this year, the team is sure to have a promising future next year.

Varsity Track

Track, at Wasco High this year, seems to be another great one. After winning the League Championship for Varsity and Class "C" and finishing second in the "B's", it would seem hard to follow. But, this year started off by the Varsity winning their 100th dual meet with only 38 losses since 1953. Returning League Champions that should insure more victories for Wasco are school record holders Steve Reimer in the low hurdles (20.2), James Burns in the distance events (4:42 and 10:21), Dennis Heinrichs in the discus and shot (150' and 45'), Dennis Bell in the pole vault (12'6"). Many others who will gather many points are Gary Broom in the high jump (6'0"), John Hernandez and Danny Martinez in the sprints, hurdles and relays, Jerry Lewis and Tim Calhoun in the hurdles and sprints, Albert Martinez in the 440 and 880, and Ed Vaughn in the shot and discus. Many new faces from the Freshman class have also helped bolster the team spirit and added much needed depth to the overall team effort.

Fred West

Student Body President

As Student Body President, I would like to thank everyone involved with making this year very special. The experience gained in school government is fantastic, and I don't think I'll ever forget it. I would especially like to thank Mr. Proctor for his help. He really works at his job and deserves a lot of credit. Coming in contact with other school governments has helped me to realize that Wasco High is one of the greatest in the country.

Elmer Burrows Retires After 26 Years

After 26 years of employment, John Elmer Burrows plans to retire as custodian at Wasco Union High School. Elmer began working at the High School on September 1, 1945.

Throughout his 26 years, Elmer has received his greatest enjoyment in helping others and has always been more than willing to lend a helping hand no matter how busy he may have been. Those who have worked the closest with him will miss him very much.

After his retirement, Elmer and his wife plan to travel and see some of the country.

Elmer has asked to be quoted as follows:

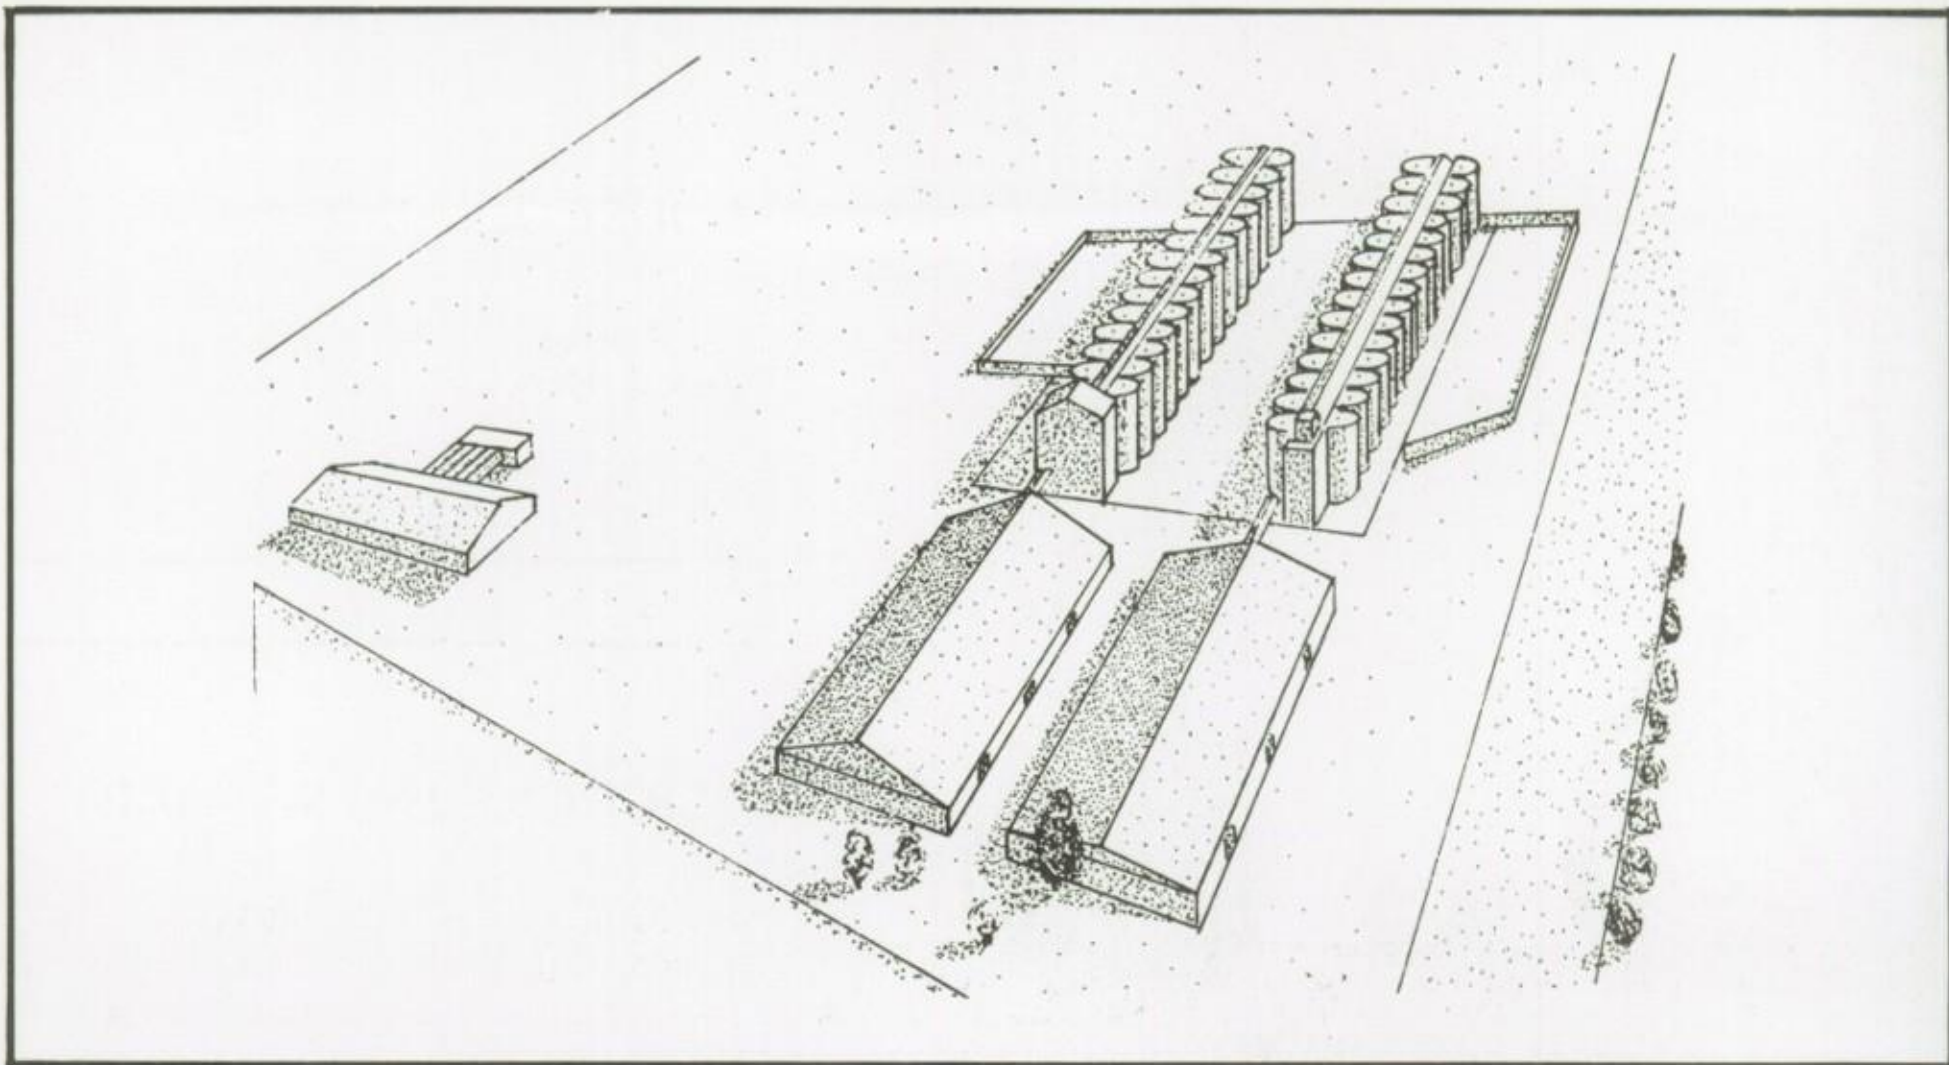

"I would like to express my appreciation to my three bosses during the past 26 years at Wasco Union High School: John Unruh, Ted Acklin, and Daryl Duke; to all the teachers, secretaries, and custodians; and my special appreciation to the FFA members for their cooperation, their fine gift of a watch, and for making me an honorary member of their FFA Chapter."

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day.
